

LASCIC INTERNATIONAL RESEARCH SEMINAR 2023

Integration, Society, Culture and Geopolitics in Latin American Key
(In Person, Spanish - English)

June 15 through June 16, 2023
University of Guadalajara - Tonalá, México

LASCIC, Latin American Studies & Chicano-Iberian Culture Network in coordination with the Department of Economics and Political Science of Tonalá University Center, University of Guadalajara, calls to submit paper proposals for the Seminar, which is proposed as a space for the analysis of problems such as economic, educational, and health inequalities, among others; conflicts of power and management and public policies; cultural, ethnic, religious, identity and gender diversity; mobility, migration and human rights processes; Chicano and Latino cultures. This, through both conjuncture and historical approaches in geopolitical fields, integration trends with a south-globalist vision, underpinned by reflexivity, thereby implying that society structures and understands itself, in an effort so that knowledge and research findings serve to promote a fairer region.
