Welcome!

Dear Social Science Colleagues:

Welcome to the 60th Annual Conference of the Western Social Science Association in San Antonio, TX!

I presented my first paper with the WSSA in 2008 in Denver – this is my 10th anniversary with the Association (that’s tin, isn’t it?). A lot has changed in that time – an assistant professor on tenure-track in 2008, I am now a full professor and department chair (in my 7th year). Having just moved from Kansas to New Mexico at that time, I find myself back in Kansas today (don’t ask) And I am a double grandmother by now. Things have changed in the wider world, too – and as many presentations this year will discuss, not for the better.

In these ten years, the WSSA was not my only conference, but it became more and more my home. For the WSSA Conference has something that is special and unique – this is the friendliest academic conference you can attend! Part of that is because we are all social scientists – nice people, all of us. But we are all different social scientists, and whilst you might be tempted to attend only panels in your discipline, do expand – the full value of the WSSA lies in the inter- and multi-disciplinary connections you will make and the many new friends you will meet.

WSSA became my home for a second reason – all you need to do to become involved in the Association itself is to raise your hand. I began by attending Women’s and Gender Studies panels, mentioned to my now good friend Diane Calloway-Graham that I was interested in being more involved, and, voilà as they say, I was named co-ordinator of WGS. The next step was to be elected to the Council for three years, and then to be elected President-Elect (meaning program chair of the 2017 conference), and now serving my last few days as president. There’s still one year as the Immediate-Past President with responsibilities and, strangely enough, I am already back coordinating (Anthropology and Women’s and Gender Studies). Let’s hope this is not a repeating circle! Although we are a rather large and multi-faceted organization, leadership opportunities are so very easy to pursue – just raise your hand!

President-Elect and Program Coordinator Christopher Brown and his assistant Dianne Berry have put together a fantastic program for us – check the at-a-glance pages for the big events, like the opening reception, the Friday breakfast (with donations requested for a local nonprofit, as usual), the poster competition, and the presidential luncheon and the final reception on Saturday evening – attend them all to see old and new friends even if your session interests keep you apart during the day! And do meander through the sessions – listen in on a panel with familiar content or brave a session of a discipline further away from your own!

During the conference, don’t hesitate to find Executive Director Larry Gould, Conference Manager Kate Herke, or myself if you need assistance, have questions, or just want to chat!

Western Social Science Association
The Western Social Science Association (formerly the Rocky Mountain Social Science Association) was founded in 1958 when the Social Sciences Section of the Colorado-Wyoming Academy of Science was reconstituted as an independent organization. On January 1, 1975, the name was changed to the Western Social Science Association (WSSA) to reflect the geographical representation of the Association. The purpose of the WSSA is to foster professional study, to advance research, and to promote the teaching of the social sciences. Membership is open to all who share its aims. The WSSA publishes the Social Science Journal, a newsletter, and an annual program and abstracts for the conference. Several affiliated organizations meet concurrently with the WSSA and share in developing the program.

Plan now to join us for another great meeting in San Diego! We have negotiated an amazing room rate at this fabulous hotel, relative to the area, to keep the costs down for scholars! The Western Social Science Association invites proposals for presentations at the 61st Annual Conference. Proposals for complete panels and individual papers, as well as posters, are welcome. You can submit your proposal through the WSSA website (www.wssaweb.com). Click on the “Sections” options, identify the section that most fits with your topic, and submit only to that one section. If you are having difficulty trying to identify the best fit for your abstract, please contact the section coordinators directly. Their contact information can be found by clicking on the section.

**Deadline for proposals is: December 1, 2018.**

You will be prompted to provide the following information:
- Title of presentation,
- Name, affiliation, mailing address, telephone number, and email address for all participants
- Abstract (not to exceed 200 words)

Scholars willing to serve as moderators or discussants should indicate their interest to the appropriate section coordinator listed on the website. All participants are required to register for the conference prior to March 1, 2019.

For additional information, please consult the website at [www.wssaweb.com](http://www.wssaweb.com)

Looking forward to seeing you in San Diego for another gathering of scholarship, service and collegiality!

WSSA Give Back

Look for this year’s Give Back beneficiary, the San Antonio Food Bank.

Since 2012, the Western Social Science Association has been holding a Give Back event in conjunction with the Friday breakfast at its Annual Conference. The event has raised several thousand dollars for the foodbank in each conference host city and the surrounding communities. Every year conference attendees have responded with generosity, and their generosity has embodied the service at the heart of the WSSA’s mission. The Give Back has become so important that the donation table for the local foodbank has become a highlight of WSSA conferences.

Continuing this great tradition depends on conference attendees and their donations. Can the WSSA the count on you? All donations are tax deductible, and the WSSA will provide receipts for them at the donation table. 100 percent of all donations will go directly to the San Antonio Food Bank, which has a four-star rating (the highest possible rating) from Charity Navigator. In operation since 1980, the San Antonio Food Bank (https://safoodbank.org/) serves the people of San Antonio and 16 surrounding counties. The SA Food Bank, behind a network of food shelves, pantries, organizations, and mobile trucks, provides nutrition assistance to over 58,000 individuals each week and works with more than 500 partner organizations. The Food Bank’s approach to hunger stands out. Along with the traditional work of taking in and distributing food, it addresses sustainability and self-sufficiency. Among its many activities, it offers job assistance to individuals in need as well as health, nutrition, and wellness education for kids and adults. Its holistic, visionary programs include everything from a culinary training program to pet food assistance.

Look for the San Antonio Food Bank at the Conference!
The San Antonio River Foundation

The San Antonio River Foundation (https://www.sariverfoundation.org/) originated in 2003 as a 501(c)(3) organization. Since its inception, the Foundation has focused on restoration, beautification, and environmental education efforts in the San Antonio River Basin. The Foundation along with the San Antonio River Authority and its city and county governmental partners has turned the river basin into a space that is reshaping social and natural relationships for the better. Working with governmental and non-governmental partners, the Foundation is behind many of the improvements and amenities that have made the River Walk and the San Antonio River into what they are today. Its latest project, Confluence Park, opened just this year. In addition to offering traditional space for community events and recreation, Confluence Park features local biome restorations and environmental education destinations. The WSSA extends a warm welcome to members of the San Antonio River Foundation.

Local and out-of-town WSSA members should heed some good advice: Look for the San Antonio River Foundation at the Conference. Come to the Riverscapes Session in the Environmental Policy and Natural Resources Management section on Thursday, April 5. Stroll the Riverwalk and take a side journey to Confluence Park—each will be well worth it.

Panel 1  | Special Interdisciplinary Discussion Session: Between the Bars – Prison Art Exhibit  
Moderator  | Unique Shaw-Smith, University of Texas at San Antonio  
Discussants  | Unique Shaw-Smith, University of Texas at San Antonio  
| Victoria Otero, Restorative Partners & California Polytechnic State University, San Luis Obispo  

Please join us for a discussion of the Between the Bars Art Exhibit.

The exhibit brings to light the hidden and often forgotten lives and talents of incarcerated men at California Men’s Colony.

It utilizes the power of art to foster dialogue surrounding what it means to inhabit the margins of society and struggle to redeem humanity.

The exhibit seeks to challenge our indifference to the dehumanization of people convicted of committing various types of crime, violent or not, by demonstrating their ability to create and or offer penitence to the world around them.

The project was a collaborative effort, designed entirely by Cal Poly students, faculty, and staff in conjunction with a committee of six incarcerated artists.
